

Utility Reminders

Do you smell the odor of rotten eggs, hear hissing or whistling sounds around gas appliances or meter? These may be signs of a natural gas leak. Contact LPMU, 712-832-3667.

If your phone number has changed, please contact the utility office so this can be updated. It will be easier for the office to contact you if there are any issues with your utilities (leaks, outages, etc.)

Utility bills are due on the 26th. If you find yourself unable to pay this, please call Linda 712-832-3667 to set up a reasonable payment agreement. This may avoid additional processing fees.

If you prefer to receive your utility bill via email, call the utility office, 712-832-3667, with your email address.

Be sure to keep me clear of snow or else I will stop regulating and you will be without heat

WE NEED YOUR HELP

The housing survey time frame has been extended to the end of February. This is important information that can aid in determining the type of housing that Lake Park needs in the future. If you have not completed the survey, choose one of the options listed below. It only takes a few minutes to complete.

Go to the city website:

<https://www.lakeparkia.com>

Or scan the QR code below:

**Lake Park
Housing Needs Survey**

We want to know what you think!

Scan here to take the survey:
